

NOTICE OF ELECTION

****CALL FOR STUDENT NOMINATIONS****

for the role of **STUDENT GOVERNOR** on the **NBCC BOARD OF GOVERNORS**

NBCC is led by a President New Brunswick and the impact of education on our communities.

Legislation requires that three “*internal*” Governors be elected by their peers across NBCC’s six campuses. These three *internal* governors include one student, one faculty and one non-faculty staff person.

We are currently seeking interested student candidates who wish to participate in the governance of NBCC. This privilege and responsibility will provide you with a unique opportunity to learn more about and contribute to a high-quality and sustainable NBCC. I encourage each of you to consider this opportunity to contribute in a meaningful way to your College, share your ideas in a forum that shapes the strategic direction of the College, and further develop your leadership skills by serving as a member of a Board that governs one of New Brunswick’s Crown corporations.

****IMPORTANT** The Student Governor on the Board does not represent NBCC students but brings a student viewpoint/perspective to Board discussions.**

If becoming a member of NBCC’s Board
